2TWO-Stratergy+skill level required+Boss attacks

1-Bandits

Stratergy-Just use Flint and the venus summon and you should be ok  
use ivan to heal if nessecarry and use to garet's most powerful attacks  
for an easy win over the bandits

Level needed to achive victiory- 5-6(if that much)

Attacks- no pynergy

2-Tret

Stratergy- Use all you r most powerfull attacks and youll win easy have  
ivan bring some herbs and elixers with him.

Level needed- 7-8 or 9

Attacks- Sleep star, thorn, quake

3-Saturos

Stratergy- Use mia to heal..ALOT! Saturos is hard! Use ragnarock with  
issac and volcano with garet, defend or attack with ivan.

level needed-10-11 or 12 (to be safe)

4-Killer ape

Stratergy- this guy has heaps of HP but is weak against fire so you  
should know what to do.

level needed- 14-15
