    I             About This FAQ
===============================================================================

This FAQ was written for those who want to know the level goals and how many
there are, but would not like any help on how to achieve them. If you would
like help on how to achieve these goals, then check out one of the regular
FAQ/Walkthroughs that are out on the internet, preferably mine though.

    V   Notes & Thanks
===

I am well aware that I am human and can make mistakes or even have left things
out of this FAQ that should be in here. If you see anything that is wrong,
please send me an e-mail and I will be sure to fix the mistake as soon as
possible. If I missed a hidden combo all together, or have put one in that
should not be in, send me an e-mail as well. Thank you for reading this FAQ and
I hope I could help.

Another thanks goes out to every web-master that hosts this FAQ. It is because
of you that so many people can both give and recieve help. Thank You.
