### I. Intro

---

The original Martial Beat was an explosive hit in arcades and on the Playstation (\*laughs\*), so Konami commissioned a sequel to the music fitness game. With new licensed tracks and exclusive Konami Originals, Martial Beat 2 is the best game in series.

Continuing my recent bout of FAQ laziness, I once again decided to transcribe the lyrics of the songs in the latest in Konami's little-known series. Once again, lyrics were sort of included in the official OST booklet, but butchered doesn't even begin to describe how incorrect some of them were. These are the lyrics to the full-length versions of the songs included on the OST, but the game actually features short, DDR-style edits. Enjoy the lyrics, and feel free to e-mail me with any corrections. Also, check out my original Martial Beat lyrics guide.

### II. Frequently Asked Questions

---

Q. What is Martial Beat 2?

A. The sequel to Konami's (specifically, Konami Sports Life's) martial action music fitness game. Read my original Martial Beat lyrics guide for more info. Martial Beat 2 actually features 2 discs because of the full-motion video used.

Q. Is Martial Beat 2 available for a home system?

A. Yes, in fact, Martial Beat 2 is ONLY available for the Playstation. Apparently the original Martial Beat didn't do so hot in Arcades, so an Arcade version of the sequel was never released.

Q. You can't have a good music game without good songs, so what songs are included?

A. Strangely enough, Konami did a LOT more work choosing the music for MB2. While the original only featured songs from Dancemania (not to mention all of the songs in the original had appeared in DDR), the sequel features songs from Dancemania (including a few songs that have appeared in the DDR MAX series as well as licensed songs that have never appeared in DDR) as well as Konami Originals, including some exclusive new songs. MB2 is mysteriously devoid of any trance, opting instead for more of a Eurodance sound.

Q. Have you even played Martial Beat 2?

A. Once again, no. While Martial Beat 2 is available for about 50 bucks without the controller or 100+ with, I don't quite have the money to pick it up quite yet.

Anywho, playing the game obviously isn't too necessary for a lyrics FAQ.

Q. Your lyrics seem (way) off.

A. Most of these were done by ear, so there may be some mistakes. If you know for sure that a lyric is off, just send an e-mail and I'll check it.

Q. Should I pick up the OST?

A. Hmm... good question. The MB2 OST DOES feature a few full-length versions of songs that you probably won't find anywhere else. Kiss Kiss Kiss, for example, is 4:19 long. Also, the Yozora no Muko full version has an incredibly intriguing beginning and end. The new exclusive Konami Originals are also interesting, but may not be enough to warrant a purchase.

After the disaster that was the Martial Beat Nonstop Megamix, Toshiba-EMI opted for a one disc soundtrack this time around. However, since there are only 12 tracks in the game, there's STILL a "special" Nonstop Megamix, mixed by Fast Forward. It's less crappy than the original's but the transitions are still incredibly awful. Ah well, at least this time they didn't add the annoying sound effects.

Q. Who actually asks these questions?

A. The voices in my head always ask a lot of questions...

~~~~~

### III. Lyrics / Song Info

---

Here they are, completely unofficial lyrics for (most) of the Martial Beat tunes for your enjoyment. Also included are some notes on the song. In the Album fields are the albums that the songs came from as well as catalog numbers so you can find them easily on import CD stores such as cdjapan.co.jp (though quite a few of them are already out of print).

~~~~~

Song Title: U Can't Touch This (Miami Booty Mix)

Artist : MC Hammer

Dancemania: Dancemania Bass #10 Super Best (as 2001 Super Bass Mix)

Album : N/A

Uh uh uh

Ha ha ha ha

Bump bump bump Yeah  
Bump bump bump  
Hammer Time...

Hammer go, MC Hammer go...

(Repeat x 4)  
[You can't touch this]

My, my, my music hits me so hard  
Makes me say "Oh My Lord"  
Thank you for blessing me  
With a mind to rhyme and two hype feet  
It feels good, when you know you're down  
A super dope homeboy from the Oaktown  
And I'm known as such  
And this is a beat, uh, you can't touch

I told you homeboy (You can't touch this)  
Yeah, that's how we living and you know (You can't touch this)  
Look at my eyes man (You can't touch this)  
Yo, let me bust the funky lyric

Fresh new kicks, advance  
You gotta like that, now you know you wanna dance  
So move, outta your seat  
And get a fly girl and catch this beat

While it's rolling, hold on  
Pump a little bit and let 'em know it's going on  
Like that, like that  
Cold on a mission so fall them back  
Let 'em know, that you're too much  
And this is a beat, uh, you can't touch

Yo, I told you (You can't touch this)  
Why you standing there, man? (You can't touch this)  
Yo, sound the bell, school is in, sucka (You can't touch this)

Give me a song, or rhythm  
Making 'em sweat, that's what I'm giving 'em  
Now they know  
You talking about the Hammer you talking about a show  
That's hyped, and tight  
Singers are sweating so pass them a wipe  
Or a tape to learn  
What's it gonna take in the 90s to burn the charts?  
Legit  
Either work hard or you might as well quit  
That's word because you know

(Repeat x2)  
[You can't touch this]

Break it down!

Stop  
Hammer time

Go with the flow, it is said  
That if you can't groove to this then you probably are dead  
So wave your hands in the air  
Bust a few moves, run your fingers through your hair  
This is it, for a winner  
Dance to this and you're gonna get thinner  
Move, slide your rump  
Just for a minute let's all do the bump bump bump bump

Yeah (You can't touch this)  
Look, man (You can't touch this)  
You better get hyped, boy, because you know you can't (You can't touch this)

Ring the bell, school's back in  
Break it down

Stop  
Hammer time

(Repeat x3)  
[You can't touch this]

Break it down

Stop  
Hammer time

Every time you see me  
The Hammer's just so hyped

I'm dope on the floor and I'm magic on the mic  
Now why would I ever stop doing this?  
With others making records that just don't hit  
I've toured around the world, from London to the Bay  
It's "Hammer, go Hammer, MC Hammer, yo Hammer"  
And the rest can go and pray

(Repeat x3)

[You can't touch this]

Yeah (You can't touch this)  
I told ya (You can't touch this)  
Too hype, can't touch this  
Yo, get outta here (You can't touch this)

Song Title: Yozora no Muko  
Artist : Eurobeat Lovers  
Dancemania: Dancemania Happy Paradise 2  
Album : N/A

Over the time ever since then,  
Is there anything we could've trusted each other  
Over the sky, so deep in the night  
There waiting, a bright tomorrow for us

We have just heard somebody's voice  
And hid us from the world  
Over the fence in the park of the night  
There a breeze we felt together

You have tried to say something to me  
Holding my hands so tight  
That feeling and your touch still fill up my heart  
A part deep in my soul

Over the time ever since then  
Is there anything we could've trusted each other  
I open the window just a little  
There coming a cool cool winter of wind

I feel sad and being alone  
Will this felling of sorrow ever go away?  
The mist from my sigh of grief lingers  
For a time and disappeared

I wish I could have had the courage to move a step ahead  
But yet I truly believed in myself  
That I could fight the world

With all the words I talked to you,  
Does any remain in your mind?  
Deep in my heart, I feel so lost  
It keeps keeps going around

Over the time ever since then  
Is there anything we could've trusted each other  
Are we now living in the world we imagined at that time?  
Not everything is going well as we dreamed and hoped  
It would be  
I wonder if this routine of days will keep going on and on  
A crispy night's sky with stars  
That I am looking up through the window

Over the sky, so deep in the night  
There waiting, a bright tomorrow for us

We have just heard somebody's voice  
And hided us from the world  
Over the fence in the park of the night  
There a breeze we felt together

You have tried to say something to me  
Holding my hands so tight  
That feeling and your touch still fill up my heart  
A part deep in my soul

Over the time ever since then  
Is there anything we could've trusted each other  
I open the window just a little  
There coming a cool cool winter on wind

I feel sad and being alone  
Will this felling of sorrow ever go away?  
The mist from my sigh of grief lingers  
For a time and disappeared

(Repeat x2)  
[Over the time]

Song Title: Twilight Zone  
Artist : 2 Unlimited  
Dancemania: Dancemania Super Techno II  
Album : N/A

First add the bass into the jam  
Then let the music take command  
Back to back to another dimension  
Stop the fuzz and pay some attention  
Music to party, music to dance  
The new follow-up by public demand  
Slick as five de la megaphone take you down  
To the twilight zone

Enter the club and turn the party upside down  
Grab the microphone as I pump the sound  
You want more  
More you'll get  
With 2 Unlimited in effect

Check out the sound  
And stop this distortion  
When you think it's finished  
Here's another portion  
Just lay back as we take control  
Take you down  
Into the twilight zone

This is a twilight zone  
And you're not on your own  
We'll take you to the twilight zone  
It is a twilight zone  
You better shake yours bones

And come on down the twilight zone

C'mon baby  
I'm gonna take you to the twilight zone

Have a good time  
Take a break

Bang with other verse of the chapter  
Straight to the heavyweight for worse or bettwe  
Vicious in a way crowd in vicinity  
Slaying DJs with the rhyme capability  
Listen to the jam as we go wild check your MC  
Yeah king versatile  
Me and a lady hard megatone

Artist : Geri Halliwell  
Dancemania: Dancemania 20  
Album : N/A

Humidity's rising  
Barometer's getting low  
According to all sources  
The street's the place to go  
Cause tonight for the first time (first time)  
Just about half past ten (half past ten)  
For the first time in history  
It's gonna start raining men (start raining men)

It's raining men, hallelujah  
It's raining men, amen  
It's raining men, hallelujah  
It's raining men, amen...

Ow!

Humidity's rising  
Barometer's getting low  
According to all sources  
The street's the place to go  
Cause tonight for the first time (first time)  
Just about half past ten (half past ten)  
For the first time in history  
It's gonna start raining men (gonna start raining men)

Dream a dream  
And what you see will be

Rhymes that keep their secrets  
Will unfold behind the clouds  
And there upon a rainbow  
Is the answer to our never ending story  
Aah ah ah aah ah ah aah ah ah  
Never ending story  
Aah ah ah aah ah ah aah ah ah

(Fly a fantasy)  
(Dream dream)  
(Reach the stars)  
(Never ending story)

Show no fear  
For she may fade away...  
In your hand  
The birth of a new day

Rhymes that keep their secrets  
Will unfold behind the clouds  
And there upon a rainbow  
Is the answer to our never ending story  
Aah ah ah aah ah ah aah ah ah  
Never ending story  
Aah ah ah aah ah ah aah ah ah

Never ending story  
Aah ah ah aah ah ah aah ah ah

Never ending story  
Aah ah ah aah ah ah aah ah ah (Fly a fantasy)  
Never ending story  
Aah ah ah aah ah ah aah ah ah (Dream a dream)

Story...  
Aah ah ah aah ah ah aah ah ah (Reach the stars)  
Never ending story

Leave

I'm not gonna stop you...

But before you go

Hold me so I can't forget you

Say it wasn't love

Say I was a fool

Anything to tear me apart

Why do you care

Why do you stop

Why are you holding me now

Kiss kiss kiss

Kissing you one more time before

You walk out that door

Wishing behind these lips

Oh baby please stay

Leave

I'm not gonna stop you...

But before you go

Hold me so I can't forget you

Now look at me

Looking out the street

Thought I could handle this moment

But your love was good

So so so good

And it's too much to lose

Miss miss miss

Missing you as you turn around

Walking out that door

My heart is crying out

Oh baby don't go

Say it wasn't love

Say I was a fool

Anything to tear me apart

Why do you care

Why do you stop

Why are you holding me now

Leave

I'm not gonna stop you...

But before you go

Hold me so I can't forget you

Say it wasn't love  
Say I was a fool  
Anything to tear me apart  
Why do you care  
Why do you stop

Kiss kiss kiss

Song Title: Beat of Life

Artist : Rie Fukada (Composer) and Scotty D. (Lyrics)  
feat. Megumi Oka (Vocals)

Dancemania: N/A

Album : N/A

When you move, you shed the brightest light  
When you dance, you shake the sky

And the vibe comes pumping into me  
Like a river rushing across the land

If you want to enjoy a new destiny  
Now is the time to get up on your feet  
Yeah with me

The beat of life  
Woah the beat of life  
Loaded with power to take on your fate  
There is nothing to get in your way  
The beat of life  
Taking us higher  
Givin' us a reason for starting a brand new life

(Won't you move with me)  
(Feel that beat of life)

When you spin, you bring the strongest wind  
When you jump, so does your soul

And you shout a cry to reach the stars  
Like the thunder yelling up to the gods

If you need an answer that you're longing for  
It's always been inside that body of yours  
Can't you see

The beat of life  
Woah the beat of life yeah  
Saying goodbye to the person you were

Meet the person that you have become  
The beat of life  
You are a fighter  
You will fly into a beautiful world that you've never seen

Won't you move with me  
(Together) Feel that beat of life

The beat of life  
Woah the beat of life  
Loaded with power to take on your fate  
There is nothing to get in your way  
The beat of life  
Taking us higher  
Givin' us a reason for starting a brand new life

Song Title: Let's Go Now  
Artist : Shoichiro Hirata  
Dancemania: N/A  
Album : N/A

Uh uh uh uh

Just throw your hands in the air  
And wave 'em like ya just don't care  
And if you're ready to have some fun tonight  
Everybody say "Oh Yeah" (Oh Yeah)

Better jump into it, because we came to fight  
Better get into it, concentrate and win tonight  
Better get into it, because it's time to fight  
Better jump into it  
Concentrate, let's go now!

My fists of steel are like hammers when I swing  
The whole wide world is my fighting ring  
I'm invincible, amazing, and everyday I'm training a body  
That's mad strong  
With my power I smash my enemies  
Like a flash  
I move with cyber speed  
I'm a champion  
Known all around  
Whoever challenges, gets a beat down

You gotta be tough enough, rough enough  
Fast and smooth  
To swiftly move into an advantageous position  
But keep your cool cause if you don't, you lose  
So punch punch  
With your left then right  
Then jump jump  
Up in the air and fly  
Block block, don't forget defense  
Keep up the hard work  
And you're sure to win

Uh uh uh

(Repeat x2)

[Better jump into it, because we came to fight (c'mon) ]

[Better get into it (c'mon), concentrate and win tonight (uh) ]

[Better get into it (yeah), because it's time to fight (c'mon)]

[Better jump into it (c'mon) ]

[Concentrate (uh uh uh), let's go now! (c'mon) ]
